

STATEMENT

We, ISKRA D.D., confirm that company EPC TEK MALZEMELERI VE DIS TICARET is our distributor for product programmes of electrical measuring instruments, MV automation and protection and low voltage switchgear in the territory of Turkey.

Their main supplies go to panel building and energy industries. We count on longterm cooperation with them.

We worked with their partner company EPC ELEKTROMEKANİK TİC.LTD.ŞTİ. since their establishment in 2011.

Ljubljana, 24.11.2016
